### **Allowed Claims**

1. Claims 1-9 are allowed.

### **Reasons For Allowance**

2. The following is an examiner's statement of reasons for allowance: The closest prior art of Toji et al. (Pub. No. US 2003/0222894) provides for the display method comprises the steps of: entering per-pixel multi-value image data and then separating the entered image data into per-pixel luminance information and per-pixel chroma information. Then producing corrected chroma information on the target pixel using chroma information on the pixel adjacent to the target pixel and chroma information on the target pixel. See Para.27 Toji failed to teach or suggest for defining a first pixel, said first tint and second tint of said first pixel both locating in said color class; defining a second pixel, said second pixel being close to said first pixel, and said first tint and said second tint of said second pixel both locating in the neighboring of said color class; defining a third pixel, said third pixel presenting a pixel being neither said first pixel nor said second pixel; finding the first pixel and second pixel on said display device and adjusting their colors; and finding the third pixel on said display device and keeping its original color. As cited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
